

A Division of the New York Legal Assistance Group

LegalHealth

Professional Partnership to Promote Well Being[®]

Since 2001, LegalHealth has partnered with medical professionals to address the non medical needs of low-income people with serious health problems. LegalHealth complements health care with legal care — providing free legal services in medical facilities and training healthcare professionals to understand the legal issues their patients face. LegalHealth extends its mission nationally by providing technical assistance to bring medical and legal partners together.
