

New York Living Will

(NYLAG General Form)

This is an important legal document. Read it carefully and talk about it with your doctor and family. It directs the medical treatment you are to receive in the event you are unable to participate in your own medical decisions and are terminally ill, in a permanently unconscious condition, or in a minimally conscious condition in which you are permanently unable to make decisions or express your wishes.

I, _____, being of sound mind, make this statement as a directive to be followed if I become permanently unable to participate in decisions regarding my medical care. These instructions reflect my firm and settled commitment to decline medical treatment under the circumstances indicated below:

I direct my attending physician to withhold or withdraw treatment that merely prolongs my dying, if I should be in an **incurable or irreversible mental or physical condition with no reasonable expectation of recovery**, including but not limited to: (a) **a terminal condition**; (b) **a permanently unconscious condition**; or (c) **a minimally conscious condition in which I am permanently unable to make decisions or express my wishes**.

I direct that my treatment be limited to measures to keep me comfortable and to relieve pain, including any pain that might occur by withholding or withdrawing treatment.

While I understand that I am not legally required to be specific about future treatments **if I am in the condition(s) described above I feel especially strongly about the following forms of treatment:**

I do not want Cardiopulmonary Resuscitation (CPR), and I want my health care provider to issue a Do Not Resuscitate (DNR) order (an order written in my medical records that CPR is not to be administered to me).

I do not want mechanical respiration.

I do not want artificial nutrition and hydration.

I do not want antibiotics.

However, **I do want** maximum pain relief, even if it may hasten my death.

Other directions:

These directions express my legal right to refuse treatment, under the law of New York. I intend my instructions to be carried out unless I have rescinded them in a new writing or by clearly indicating that I have changed my mind.
